

A tailored suite of insurance products

Exclusively for members of the Portfolio Management Association of Canada (PMAC)

The PMAC program benefits members with:

- **Our commitment to excellence:** PMAC and HUB conduct frequent program evaluation aimed at continuous improvement based on members' evolving needs.
- Extended coverage for cyber related claims and trading errors for no additional cost
- Competitive pricing based on the combined purchasing power of a large group
- A simplified renewal process: one application for all professional lines of insurance
- Automatic renewals on applicable lines of insurance
- Coverages including directors' & officers' liability, professional liability, cyber liability, financial institution bonds

PMAC PROGRAM PARTICIPANTS ALSO HAVE ACCESS TO:

A dedicated team of specialists focused on professional liability insurance products that draw on their expertise to service each and every PMAC member.

Preferred claims handling services from HUB's in-house claims experts who are dedicated to advocating our clients' interests in the event of a loss.

STRATEGIC PARTNERSHIP WITH CHUBB INSURANCE

Chubb Insurance Company of Canada – in the top of its class for the Financial Institution sector – has been a strong partner on the PMAC program for over 8 years. Their reputation and claims handling is excellent and perfectly suited for your business.
