SECTION B – MEMBERSHIP CRITERIA AND FIRM PROFILE INFORMATION

Membership Eligibility

Any person (whether a corporation, partnership or sole proprietorship) may become a Member, provided that:

- a) it is registered and directly regulated as an adviser (i.e. portfolio manager or restricted portfolio manager) under the governing securities legislation in any province or territory of Canada;
- b) a major focus of its business is portfolio management;
- c) it qualifies for and maintains insurance coverage as required under current Canadian securities legislation and as prescribed by the Corporation's board of directors from time to time; and
- d) meets any other applicable conditions as prescribed by the Corporation's board of directors from time to time or as set out in the policies of the Corporation.

It is understood that PMAC may terminate a Member if, in its judgement, the Member has violated any material provision of the applicable securities legislation under which it is registered and/or ceased to meet the conditions for membership set out in the Association's by-laws or for the failure to pay any annual or special fees, dues or assessments, and the Member has failed to rectify the default as provided for in the by-laws.

Membership in the Association shall automatically terminate upon the occurrence of certain events, including but not limited to a Member filing or becoming bankrupt, but such termination of membership shall not relieve the Member from the obligation to pay any annual or special fees, dues or assessments then due or accruing due.

In addition to the above, it is further understood that PMAC's board may, in its sole discretion, remove a Member firm from the PMAC public Membership listing (including that Member's firm profile on the PMAC website) or take any other action with respect to that firm's membership in the event that, among other things, the Member is or becomes subject to an investigation by a regulatory authority, suspension of registration or upon the imposition of terms and conditions on the firm's registration.
